Community

The internet and cryptocurrency arena are full of various scams, Ponzi schemes, exit schemes, and money games. Many of us have firsthand experience being victims of such schemes and frauds. We're tired of it and we're not going to take in anymore. We've come together to create a community of like-minded individuals from all over the world and all walks of life with a common goal... to create a hybrid ecosystem for e-commerce and trade that is owned by the members.

Join our community and be a part of something amazing.

Education

The Covid-19 pandemic has hit businesses and employees hard. Many have no choice but to create home-based business.

We provide our members access to a wide array of courses to successfully profit while working out of the comfort of their home.

Many of our courses are conducted through live webinars to allow for instructor and student interaction.

Our courses cover many valuable subjects:

- Cryptocurrency Fundamentals
- Cryptocurrency Safety
- Cryptocurrency Trading
- Blockchain Basics
- Barter Exchange Fundamentals
- Starting your own Barter home-based business
- Many more...
